**“Popcorn & Peanuts & Cracker Jacks...”**

Twenty-seven members of the MSAC team; participants, family members and therapists, attended the Kansas City Royals game on May 16. Our MSAC team feasted on box lunches before the game, and during the game the Oakland A's feasted on the KC Royals. Despite the Royals loss, the Royals fans were given some exciting baseball moments and a beautiful day at the “K”. One highlight was seeing the “MS Achievement Center” listed on the scoreboard in the list of groups in attendance on that day.
